

Just a quick note...

As you may have read in our February Newsletter, we are offering a discounted rate for a weekend stall at our May 2nd and 3rd show for those of you who are solely entering the Green Rider class. That means that if **you and your horse** are entered in the Green Rider class only, you will pay \$60.00 for your weekend stall instead of \$100.00! This rate only applies for the stall charge and does not include extra shavings. The money you save pays for one day's entry!

Also, we are having an award party and sliding contest on Saturday, May 2nd. This will be at the conclusion of the show and all exhibitors are invited.

We are looking forward to seeing you in a few weeks...

Remember to please send in your membership dues and any sponsorship you can manage. It all helps- plaques, prizes, money-

Thank you,

Heather Slempp
MRHA Secretary
